Grange Hotels' collection of townhouse boutique hotels nestles quietly in Bloomsbury, the literary heart of London and just moments from the British Museum.

Holborn and Russell Square underground stations are nearby, whilst Euston, Kings Cross & St. Pancras mainline stations, London's major shopping districts and theatres are just a short walk away. The Bloomsbury Townhouse Collection provides the perfect locations for any visit to the Capital.

The collection containing Grange Clarendon, Grange Portland, Grange Buckingham and Grange Lancaster Hotels are quintessentially English boutique townhouse hotels offering quiet relaxation and comfort. Some offer the additional independence and luxury of fully equipped and modern kitchenettes (Grange Portland and Grange Buckingham).

In addition guests of all four hotels can take advantage of the bar facilities within the Grange Clarendon.

All guests staying at the Grange Hotels in Bloomsbury may access, for a discounted supplement, the nearby Grange Health and Fitness Club, including swimming pool and spa.
